Dear Friends

Thank you so much for your donation of \$5000, this is a wonderful gift in support of over 4 million children whose lives have been devastated following Typhoon Haiyan in the Philippines. Your strong commitment will bring clean water, shelter, emergency food and medical supplies to vulnerable children after such a traumatic event. On their behalf I extend our heartfelt appreciation.

The immense scale of this disaster has affected over 10 Million people, leaving thousands dead and many more homeless. Children are always the most vulnerable in any emergency, many have been displaced and have lost parents or been separated from their families. Children are being exposed to health problems, lack of shelter, clean water and food, and regrettably to trafficking and other forms of exploitation.

UNICEF teams are on the ground in the worst affected areas, working tirelessly to reach the children who need us most. As a first responder we are meeting their immediate needs, but as time moves on we are committed to long-term recovery and ensuring children's lives can return to normal.

Your generosity is like gold as it enables UNICEF to buy the necessary life-saving supplies for children and families in the Philippines.

On behalf of the children you are helping I extend our sincere gratitude for your generosity.

With appreciation

Dennis McKinlay
