Re: Structural Steel detailing

CONFIDENTIAL MESSAGE:

This is a confidential message, intended solely for the person to whom it is addressed. If you receive this message in error, please forward it to the correct person, or mail it back to us. Thank you

We confirm to interested parties, that we have engaged Steel Pencil Ltd to detail various structural steelwork projects we have undertaken over the last few the years, and they have accomplished such tasks in a professional manner, within the time constraints imposed. Steel Pencil Ltd have also undertaken structural detailing of offshore work, for us, e.g. Desico Factory - Western Samoa; which proved to be efficient for all concerned.
